

## Postdoctoral positions at the Rényi Institute

A one-year postdoctoral fellowship in mathematics opened for application at the Alfréd Rényi Institute of Mathematics (Budapest), starting in September 2016, in the field of

### **Low Dimensional Topology and related areas,**

(preferably in contact and symplectic topology, knot theory, 3- and 4-manifold theory, complex surface singularities). The position is teaching free; in particular, the candidates are not required to speak Hungarian. The salary is 24,000 Euro/year, together with a travel grant of 1500 Euro. The project is financed by the European Union (through the ERC Advanced Grant 'Low Dimensional Topology in Budapest').

**Deadline for application: February 29, 2016**

Please send applications by e-mail to **ldtbud@renyi.hu**

The application should contain:

- a CV
- a list of publications
- a short (2-3 pages) summary of past research
- a short (2-3 pages) research statement.
- Two letters of recommendation should be directly sent to ldtbud@renyi.hu.
