# Curriculum Vitae

Name: Mátyás Domokos

Born: Budapest (Hungary), July 12, 1968

Nationality: Hungarian

### EDUCATION:

Diploma (equivalent to M.Sc.), 1992, L. Eötvös University, Budapest Candidate of Sci. (equivalent to Ph.D.), 1996, Hungarian Acad. Sci., Budapest. Doctor of Science., 2007, Hungarian Academy of Sciences.

#### LANGUAGES SPOKEN:

Hungarian, English, and reads mathematics in Russian.

### PROFESSIONAL EXPERIENCE:

Research advisor at the Rényi Institute of Mathematics since 2007.

Research associate at the Rényi Institute, 1998-2007.

Junior researcher, Mathematical Institute of the Academy, 1995–98.

# TEACHING EXPERIENCE:

Assistant Professor at the L. Eötvös University, 1998–2005.

Instructor at the L. Eötvös University, 1990–98.

Lecturer at CEU, PhD-program, since 2001 autumn.

Lecturer at the Budapest Semesters in Mathematics, since 2004.

#### CURRENT SPECIALIZATION:

Algebra (invariant theory, representation theory)

# AWARDS, FELLOWSHIPS:

Erdős Price of the Hungarian Academy of Sciences, 2006;

Marie Curie Research Fellowship of the EU for 2 years, 2002-2003.

Bolyai Research Fellowship, Hung. Acad. Sci., 1998-2001 and 2004-2007. Youth

Prize of the Hungarian Academy of Sciences, 1997;

G. Grünwald Prize of the J. Bolyai Mathematical Society, 1994;

Széchenyi István Research Fellowship for 6 months, 1994;

#### VISITING POSITIONS:

Bulgarian Academy of Sciences (Sofia), 2 months in total, 1993, 1995, 1997;

The Pennsylvania State University (USA), 6 months, 1994;

RWTH Aachen (Germany), 1 month, 1995;

Universität Bielefeld (Germany), 1 month, 1996;

Gesamthochschule Paderborn (Germany), 2 months in total, 1997, 1999;

University of Edinburgh (Scotland), 2 years, 2002, 2003.

### EDITORIAL:

Matematikai Lapok, J. Bolyai Math. Soc., technical editor, 1998-2001;

Mathematical Notes, Univ. Miskolc, member of the editorial board, since 2003.

Serdica Math. J., Bulgarian Acad. Sci., editor since 2004.

Periodica Math. Hung., member of the editorial board since September, 2012
