Curriculum Vitae

Gábor Tardos

Born: July 11, 1964, Budapest, Hungary.

Degrees:

- Diploma in Mathematics, Eötvös University, 1987.
- Ph.D. in Mathematics, Eötvös University, 1988.
  Topic of thesis: universal algebra.
  Advisors: L. Babai and P. P. Pálfy.
- Doctor of the Hungarian Academy of Sciences, 2005.

Positions:

Current:

- Research Professor at the Alfréd Rényi Institute of Mathematics, since 1991.

Past:

- Professor at the Department of Mathematics and Its Applications, Central European University, 2010–2020.
- Canada Research Chair of computational and discrete geometry.
  School of Computing Science, Simon Fraser University, Burnaby, Canada, 2005–2013.
- Professor of the Computer Science Department of Eötvös University, Budapest, 1992-2003.
- Member of the Institute for Advanced Study, 1996--97.
- Visiting Professor at the Computer Science Department of the University of Toronto, 1995--96.
- Visiting Professor at the Computer Science Department of the Rutgers University, 1990--1992.
- Hungarian Academy of Sciences Fellowship at Eötvös University, Budapest, 1987-90.
- Visiting Professor at the Computer Science Department of the University of Chicago, 1989.
- Dickson Instructor at the Department of Mathematics of the University of Chicago, 1988.

Honors and awards:

- Recepient of the ERC Advenced Grant "ERMiD", 2022.
- Albert O. Mendelson Test of Time Award (PODS 2021) with H. Johwari and M. Sağlam, 2021.
- Gödel Prize (European Association for Theoretical Computer Science and the ACM Special Interest Group on Algorithms and Computational Theory), with R. Moser, 2020.
- Corresponding member of the Hungarian Academy of Sciences, 2019.
- Invited speaker of the International Congress of Mathematicians, Rio de Janeiro, 2018.
- Member of Academia Europaea, 2018.
- Academy Prize (Hungarian Academy of Sciences), 2018.
- Erdős Prize of the Hungarian Academy of Sciences, 1999.
- Rényi Prize of the A. Rényi Institute of the Hungarian Academy of Sciences, 1999.
- Prize of the Hungarian Academy of Sciences for Young Researchers, 1995.
- Prize of the First European Congress of Mathematics, 1992.
- G. Grünwald prize for young researchers in mathematics awarded by the J. Bolyai Mathematical Society, 1988.
