**I. Conference on Research and Innovation in Health in EU**

The Slovenian and Hungarian Permanent Representation Offices organising a networking and info day in Brussels on **16 November 2023**. Slovenian, Hungarian, Polish and Turkish researchers are expected to participate. The programme of the afternoon session is under discussion, but the registration is open for participants and those who would like to give a pitch presentation.

You can [register here](#).

**II. The UN seeks experts to participate in an international symposium on ocean science-policy**

The Division for Ocean Affairs and the Law of the Sea (DOALOS), United Nations Office of Legal Affairs, as the Secretariat for the Regular Process for Global Reporting and Assessment of the State of the Marine Environment, including Socioeconomic Aspects (Regular Process) in collaboration with the Intergovernmental Oceanographic Commission of UNESCO (IOC-UNESCO) solicits the nomination of experts to participate in an international symposium of the United Nations Regular Process on strengthening the ocean science-policy interface. The symposium will be held at IOC-UNESCO Headquarters in **Paris, France, from 12 to 13 December 2023**.

Experts who are nominated or wish to nominate themselves are kindly invited to fill out the [online application form](#).

Nominations should have due regard to the need for gender balance. Funding will be provided by the United Nations (economy class round trip flight ticket and Daily Subsistence Allowance) for the selected experts, with priority given to experts from developing countries.

The deadline to submit an application is **20 October 2023 5 PM EDT**.

The [notification](#), the [online application form](#) and other documents related to the Symposium can be found here: <https://www.un.org/regularprocess/Symposium>.

### **III. Can a Research Support Office be Self-sustained? – webinar**

The aim of this session is to present the overheads conundrum to the audience, compare some of the models applied in a number of institutions and encourage participants to share their views on the challenges and models of overheads applied in their respective institutions.

This session is being presented by members of **EARMA's** Finance and Governance Committee as part of EARMA's initiative to bring its committees closer to the RMA community. Attendees will have the opportunity to interact and familiarise themselves with the Committee's members while also engaging in a discussion that is believed to be very common among RMAs in their day-to-day work.

Date & Time: Thursday, October 26, 2023 14:00 - 15:00 CET

This event is free of charge, but [registration](#) is required.

### **IV. Hogyan mérjük a tudományos teljesítményt? - konferencia / How to measure scientific performance? – conference in Hungarian**

Hogyan mérhetjük minél hatékonyabban kutatóink teljesítményét és eredményeit annak érdekében, hogy a magyar tudomány továbbra is versenyképes maradjon a világban? Melyek ezen a téren a legjobb nemzetközi gyakorlatok, milyen erőfeszítések zajlanak ezek szakszerű hazai átültetésére?

Ilyen és hasonló kérdésekre keresi a választ a Nemzeti Kutatási, Fejlesztési és Innovációs Hivatal által, a Kulturális és Innovációs Minisztérium szakmai támogatásával szervezett tudománymetriai konferencia.

A rendezvényen a Kulturális és Innovációs Minisztérium, az NKFIH és a Semmelweis Egyetem vezető képviselői mellett Gulyás Balázs az MKH elnöke is előadást tart a HUN-REN intézmények eredményességének méréséről.

Időpont: **2023. október 12. 8:30-10:40**

Helyszín: NKFI Hivatal (1077 Bp., Kéthly Anna tér 1.) és online

### **V. The EC organises an online workshop on AI in Science – online workshop**

The European Commission welcomes participants in a workshop to discuss potential needs and areas for action from the EU level on AI in Science in order to contribute to shaping the future policy agenda in this field and collect feedback on a draft policy brief they are currently preparing.

Date: 12 October 2023, 9:30-12:30 CET

Online

Please, let the EC know of your availability by sending an e-mail to [Laura.roman@ec.europa.eu](mailto:Laura.roman@ec.europa.eu) and [Daniela.petkova@ec.europa.eu](mailto:Daniela.petkova@ec.europa.eu).

## VI. EARMA Awards Committee: 2023/24 Awards Schedule

EARMA's Awards Committee (AC) is responsible for all grants disbursed by EARMA on an annual basis. The AC oversees a broad portfolio of awards that are aligned to EARMA's strategic aims of providing direct financial benefit to members, stimulating members' participation in various events relevant to the RMA profession and, through this, supporting access and networking across the EARMA community. To do this, the Committee meets on a monthly basis and delivers a busy annual cycle of business, ensuring that various grants and awards are promoted, processed and distributed in a timely fashion.

[The detailed schedule of 2023/2024.](#)

## VII. Other upcoming events

- The Joint Research Centre of the EC is organising the **9th European Conference on Corporate R&D and Innovation (CONCORDi 2023)** in Seville, **Spain, on 24-26 October 2023**. In collaboration with the OECD and the Spanish Presidency of the Council of the EU, the Conference will focus on "Industrial innovation for Open Strategic Autonomy – Leaving no one and no place behind". [More information here.](#)
- The EC organises an ERA Forum online workshop on "**Twin Transitions and vulnerable groups; R&I actions, gaps and challenges**" on **24 October 2023**. The workshop contributes to the implementation of the ERA Policy Agenda Action 11.3 ("ERA4FutureWork"). If interested, please register through [RTD-ERA-FORUM@ec.europa.eu](mailto:RTD-ERA-FORUM@ec.europa.eu) email.

- **How to Develop a Research Integrity Promotion Plan - webinar**

After a brief introduction to the key role played by EARMA in EU projects focusing on ethics and integrity, the webinar will be divided into two main parts to comprehensively cover essential aspects of Research Integrity Promotion Plans (RIPPs). In the first part, a representative of the European Commission will explain the importance and obligations of implementing a Research Integrity Promotion Plan (RRIP). Following the first part, the second part of the webinar will focus on Standard Operating Procedures and Guidelines that Research Performing Organisations can use to develop their own Research Integrity Promotion Plans.

Date: **17 October 2023**
