VI. CETPartnership Joint Call 2024 Pre-Announcement – What’s in it for me?.....	3
VII. Open calls and applications	3

I. Decoding the Formula: Strategies for Securing an ERC Project

The HUN-REN Centre for Social Sciences (HUN-REN CSS) is hosting a workshop dedicated to best practices in ERC grant writing, where participants acquire tips in project ideas, proposal planning, etc. The 1.5-hour event, moderated by Vinicius Gorczeski, will be held in English. Following the introduction, two expert guests (Ágoston Berecz, CEU; Tamás Faragó ELTE) will share their tips and tricks for elaborating successful ERC project proposals. Then participants will have to opportunity to express their questions and discuss their topics.

Registration is optional, but the organisers encourage participants to sign up and indicate their questions or topics during the event.

Date: **30 April 2024, 14:00-15:30**

Place: **JTI Meeting Room, Ground Floor T.0.25.**

For registration, please click [Here](#).

II. Horizon Europe info day - WIDERA Work Programme 2023-2025

The following info day will inform interested applicants about the new European Research Area (ERA) call that will open on 15 May 2024 and close on 25 September 2024.

Speakers from the European Commission will present the new call topics and are joined by speakers from stakeholder organisations to further explain the benefits of the proposed actions. The following main topics will be discussed:

Experimentation and exchange of good practices for value creation; Science comes to town and Talent ecosystems for attractive early research careers – pilot. Interested applicants will have an opportunity to ask questions via Slido.

Date: **22 April 2024, 9:30**

Place: **Online**

You can read more and attend the event [Here](#).

III. ISC Early and Mid-Career Researchers (EMCR) Forum Meeting

ISC Members, Young Academies, and Associations, together with other young scientific groups and individual Early and Mid-Career Researchers are invited to join the ISC Early and Mid-Career Researchers (EMCR) Forum virtual meeting. Participants will take part in the discussion of the latest working paper from the ISC Centre for Science Futures on Global Strategies for Accelerating AI in Science and Research called “Preparing National Research Ecosystems for AI: Strategies and Progress in 2024”.

Date: **30 April 2024, 14:00-15:30 CEST**

Place: **Online**

More information and registration [Here](#).

IV. Western Balkans–Visegrad Fellowships

The Western Balkans–Visegrad Fellowships (pilot program) offer funding for individual short-term stays for Visegrad Countries (V4) and Western Balkans (WB6) scholars, lecturers, academic staff, researchers & scientists in two main directions. Citizens of V4 countries can apply to relevant host institutions in the WB6, and citizens of the latter region can apply to relevant host institutions in V4 countries.

Application is open from 15 April to 15 June and those who are interested should submit a scanned ID document, a doctoral diploma or proof of enrolment, a letter of innovation, and a letter of recommendation. Fellowship can start in September 2024 at the earliest and must be concluded by June 2025.

Deadline: **15 June 2024**

For more information about the program and application, click [Here](#).

V. Matchmaking Event on Horizon Europe upcoming calls - Climate, Energy and Mobility

This matchmaking event provides a platform for those stakeholders in the energy and mobility industry who are looking for partners for their Horizon Europe Funding Programmes. The calls to be focused on are Cross-sectoral solutions for climate transition; Sustainable, secure, and competitive energy supply; Efficient, sustainable, and inclusive use of energy and Safe and resilient transport and smart mobility services for passengers and goods. Organisers expect the participation of universities, research centres, private companies, public authorities, etc. By participating in the brokerage, participants can discuss and refine their projects with potential partners, establish collaborations, and get to know the European ecosystem.

The event is free, but registration and profile activation are mandatory to attend the brokerage event.

Date: **25-26 April 2025**

Place: **Online**

You read and register [Here](#).

VI. CETPartnership Joint Call 2024 Pre-Announcement – What’s in it for me?

The Clean Energy Transition Partnership invites interested parties, such as technology providers, research institutions, infrastructure providers, and industrial or energy companies to this event with the aim of clarifying all the potential questions about applying for its Joint Call 2024. It will also provide tips and tricks as well as tools to find relevant project partners and to initiate project consortia for its Joint Call 2024. Moreover, you can get acquainted with CETPartnership in-depth, learn more about the key topics of the Joint Call 2024, get ideas for finding consortium partners, etc.

Date: **4 June 2024, 12:00-12:00**

Place: **Online**

For registration and details, click [Here](#).

VII. Open calls and applications

Az alábbiakban új rovatként, táblázatos formában tájékoztatást adunk azon nyitott eseményekről és pályázatokról, melyek az előző hírlevelekben megjelentek.
