I. Kutatásmenedzsment Fórum

A HÉTFA Kutatóintézet és Elemző Központ várja az érdeklődőket a június 21-én tartandó Kutatásmenedzsment Fórumra, amely a *Kutatásmenedzsment-hálózat a V4 és Nyugat-Balkán országaiban Plusz* című projekt keretében kerül megrendezésre.

A szervezők célja, hogy bemutassák és összegyűjtsék a kutatástámogató irodák nemzeti és regionális jó gyakorlatait ezzel segítve kiépíteni a kutatásmenedzsment karrierútját, valamint nyomonkövessék a kutatásmenedzsment-szolgáltatások hatását. A rendezvény keretében egy kerekasztal beszélgetésre is sor kerül, melynek keretében felméri a kutatásmenedzsment jelenlegi helyzetét, nemzeti jellegzetességeit és esetleges hiányosságait.

Jelentkezési határidő: **2024. június 15.**

Időpont: **2024. június 21. 10:00-13:00**

Helyszín: **HUN-REN Társadalomtudományi Kutatóközpont, 1097 Budapest, Tóth Kálmán utca 4.**

Regisztrálni a következő [Linken](#) tudnak.

II. Marie Skłodowska-Curie Actions Posztdoktori ösztöndíj workshop

A Nemzeti Kutatási, Fejlesztési és Innovációs Hivatal a Fiatal Kutatók Akadémiájával és a HUN-REN Természettudományi Kutatóközpontjával együttműködésben jelenléti workshopot szervez a Marie Skłodowska-Curie Postdoctoral Fellowships (MSCA PF) ösztöndíjprogramjára való pályázáshoz kapcsolódóan.

A workshopra olyan kutatók jelentkezését várják, akik pályázatukat az MSCA PF aktuális, 2024. szeptember 11-i beadási határidővel kiírt pályázati felhívására kívánják benyújtani, és már rendelkeznek pályázattervezettel. A workshopon a pályázattervezetek alapján a pályázat részletes megírásával kapcsolatos konkrét kérdésekre kaphatnak válaszokat, gyakorlati tanácsokat, nyertes pályázattal rendelkező szakértőktől és az MSCA nemzeti kapcsolattartótól. A szervezők az esemény során 20 főre számítanak. A workshopon a részvétel ingyenes, de regisztrációhoz kötött.

Jelentkezési határidő: **2024 június 24.**

Az esemény időpontja: **2024. június 26., 10:00 - 14:00**

Helyszín: **Nemzeti Kutatási, Fejlesztési és Innovációs Hivatal, 1077 Bp., Kéthly Anna tér 1., 261-es terem**

Regisztrálni a [Linken](#) tudnak.

III. National Research, Development and Innovation Office offers online workshop in English about Marie Skłodowska-Curie Postdoctoral Fellowships

In cooperation with the Hungarian Young Academy, the Faculty of Science of Eötvös Loránd University and with the HUN-REN Research Centre for Natural Sciences, the National Research, Development and Innovation Office is organising an online workshop about the Marie Skłodowska-Curie Postdoctoral Fellowships (MSCA PF)

The aim of the online workshop is to provide information and advice for those researchers who wish to submit their PF proposal by 11 September 2024 with a Hungarian host organisation. During the workshop, the Hungarian MSCA National Contact Point (NCP), an MSCA expert and successful MSCA fellows will share some tips and tricks on how to prepare a successful PF proposal. Participation in the workshop is free of charge, but prior registration is required.

Application deadline: **28 June 2024**

Date: **2 July 2024 10:00 - 13:00 CET**

Place: **Online**

You can register [Here](#).

IV. Mapping the training, mobility, networking and funding opportunities for Research Managers in Europe

This online survey forms part of the European-funded project RM ROADMAP, particularly contributing to the WP2 task that aims at mapping training, mobility, networking and funding opportunities targeted to Research Managers across Europe. As such, the goal is to collect information about all available opportunities that are targeted to research managers (RM); frequent opportunities (in opposition to isolated actions that may not be available in the future); open for participation (in opposition to opportunities only open to RM from a particular institution). The information retrieved will be used to disseminate these opportunities to the RM community in an online and openly available dissemination tool/ dashboard.

Deadline for filling the online form: **24 June 2024**

You can access to the form [Here](#).

V. Call for Convenors – House Series on the Middle East

In response to calls from its community in the wake of the recent conflict in Gaza, ECPR's Executive Committee invites expressions of interest for two Convenors to a new online series of webinars focusing on the Middle East. The series will address related issues including academic freedom and human rights, along with broader regional dynamics involving countries such as Iran and Lebanon. It will incorporate fresh perspectives from diverse disciplines, examining the influence of culture on democratic stability, sentiment, and representation. The webinar series aim to create a safe space where political scientists can engage in meaningful discourse, free from political biases, and contribute to the collective academic knowledge on these critical issues.

The organisers welcome applications from mid-career or senior political scientists with expertise in this geographical area, combined with a passion and understanding of its history, people and scholarships, and are particularly interested to receive applications by scholars from diverse geographic locations, and those underrepresented in the discipline.

The deadline for applications: **1 July 2024**

More information about the call [Here](#).

VI. IUSSP International Population Conference Call

The IUSSP International Population Conference is the world's largest international scientific conference on population and demography. The conference brings together researchers, policymakers and practitioners from a wide range of disciplines and from across the globe, to present and discuss the latest research on a broad range of contemporary population issues. Researchers working in population and related fields are warmly invited to submit an abstract of recent research for presentation in an oral or poster session.

Submissions must include a short, 200-word abstract and an extended (2-4-page) summary in English describing the topic including theoretical focus, data, research methods, and expected findings. Authors should select the theme that is closest to the topic of the paper and select up to 4 additional keywords to ensure that the abstract is assigned to the appropriate reviewers.

Deadline for submitting papers or abstracts: **15 September 2024**

For more information and submission, click [Here](#).

VII. 2024 Certificates on the financial statements (CFS) in Horizon Europe

The following webinar will provide an opportunity to get to know more about CFS in Horizon Europe projects. A CFS is obligatory for all beneficiaries who request a contribution reaching or exceeding the threshold of EUR 430,000 for the entire duration of the action. The check has to be carried out by each beneficiary on its own and is based on the requested total funding according to all costs of the beneficiary. An obligatory CFS has to be issued once for the whole duration of the action.

The webinar will touch upon the following topics: CFS agreed-upon procedures in Horizon Europe: new approach and main feature; General procedures applicable to all cost categories; Procedures to be followed for specific cost categories (personnel costs, subcontracting, purchases).

Date: **26 June 2024, 10:00 – 11:30 CET**

For more information and joining the event, click [Here](#).

VIII. Other upcoming calls and events

- **World Data System's research survey**

Contribute to the World Data System's research survey gathering insights into existing and emerging data standards and certifications that ensure reliable and trustworthy scientific data repositories

Deadline: **31 July 2024**

[Link](#)

- **European Consortium for Political Research's summer Methods School programme**

Join the European Consortium for Political Research's summer Methods School programme for expert-led online training on cutting-edge and established research methods and techniques for scholars at all levels.

Place: **Online**

Date: **22 July 2024 – 2 August 2024**

[Link](#)

- **Proposals to the European Association of Development Research and Training Institutes' Global Development Book Series**

Contribute proposals to the European Association of Development Research and Training Institutes' Global Development Book Series aiming to better understand the interplay between social, economic, political, technological, ecological, cultural and gendered aspects of societal change at the local, national, regional and global levels.

Deadline: **Ongoing**

[Link](#)

- **IAP-ISC-GYA webinar on Research Assessment**

The InterAcademy Partnership, in collaboration with the International Science Council and the Global Young Academy, present the new report on research assessment.

Place: **Online**

Date: **24-25 June 2024**

[Link](#) for the first day, and the [Link](#) for the second day.

- **The 2024 WDS Webinar Series presents: "Navigating the Path to Success in Disaster Data Management"**

This webinar will delve into the pivotal aspects of disaster data management, encompassing data sharing, discovery, and integration. Distinguished speakers will cover the integral details of disaster data management and provide guidance on how early career researchers can carve out their own successful path in this vital discipline. You can join the webinar [Here](#).

Place: **Online**

Date: **24 June 2024, 15:00 CET.**

IX. Open calls and applications

Az alábbiakban tájékoztatást adunk azon nyitott eseményekről és pályázatokról, melyek az előző hírlevelekben megjelentek.
